

國立陽明交通大學產學創新研究學院智能系統研究所

115 學年度博士班修課規定

115 年05 月14 日114 學年度第 4 次校課程委員會審議通過

修業年限	修業期限 2 年至 7 年為限，若轉為在職生得增加修業年限2年。
應修學分數	一、 18 學分(入學後應依「本所入學年碩士班修課規定」，修習所屬組別(甲、乙、丙組)之核心課程至少6學分及專業選修至少6學分。) 二、 論文研討應加總通過2 學期或相關免修規定。 *請參見應修(應選)課程及符合畢業資格之修課相關規定。
逕博應修學分數	逕博生至少應修畢 24 學分。
應修(應選)課程及符合畢業資格之修課相關規定	一、 修業期間，論文研討應加總通過2學期，該課程可用本學院產學研究課程(業師課程或企業實習)申請免修，同意免修之產學研究課程不計入應修課程 18 學分中(逕博生24 學分)。 二、 修習並通過本校語言/寫作中心開設之研究生英文課程兩門或(本校)博士班英語能力考核。英文修習可使用第三方公正機構之英文檢定成績來抵免，抵免標準由本所另訂定之。 三、 學術研究倫理教育課程與性別平等教育線上課程為必修教育課程，採網路教學方式，課程總測驗成績應達及格標準，但不計入應修學分數。
備註	一、 核心課程應先滿足6 學分規定，超過之核心課程學分可列計專業選修學分。 二、 同一門課程不能重複認列核心課程及專業選修課程學分。 三、 核心課程與專業選修課程僅限本校課程。 四、 未盡事宜以本所通過之修業規章辦理。

Industry Academia Innovation School
Doctor's Degree of the Institute of Artificial Intelligence Innovation

Academic Year 2026-2027

Minimum and Maximum Term of Study	Two to Seven Years.
Minimum Credits	● Students must complete 18 credits. After enrollment, students shall follow the master's program course requirements applicable to their year of entry and complete at least 6 credits of core courses in one of the institute's groups (Group I, II, or III) and at least 6 credits of professional elective courses. ● Thesis Seminar must be passed for a total of two semesters, or the relevant waiver requirements must be met. *Please refer to the section "Required/Selected Courses and Course Requirements for Graduation Eligibility."
Minimum Credits for Direct admitted Ph.D. students	Direct-admission Ph.D. students must complete at least 24 credits.
Curriculum and Regulations	I. Students may apply for a waiver of the thesis discussion requirement by completing industry-academia research courses offered by the college (including courses taught by industry professionals or corporate internships). Courses approved for such a waiver shall not be counted toward the required academic credits. II. Students must select and pass two Graduate English courses opened by NYCU Language Teaching and Research Center, or pass NYCU Measures for PhD Students' English Competence. English courses can be waived by English Proficiency Test which is hold by third party inspection organization. The Accreditation Measures will be regulated by our Institute. III. Students should take the "Research Ethics Course" on the "Taiwan Academic Ethics Education Resource Center" platform Gender Equity Education Online Course before the end of the first semester after enrollment and pass the required approval standard for the final test. Students who fail to pass the final test cannot apply for degree exam. The courses are not included in Minimum Credits.
Notes	I. Students must first satisfy the 6-credit core course requirement. Any core course credits earned beyond this requirement may be counted toward professional elective credits. II. The same course may not be counted repeatedly toward core courses and professional elective courses. III. Core courses and professional elective courses are limited to courses offered by NYCU. IV. Any matters not specified herein shall be handled in accordance with the academic regulations approved by the institute.
